Manuscript Title:

I/We certify that i/we have participated sufficiently in the preparation and planning of the intellectual content, concept, design, analysis and interpretation of the data, and writing of the manuscript. I/we take full responsibility for the contents of the manuscript and have/agreed to have/has my/our name listed as a contributor. I/We believe the manuscript represents valid work. We also certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. Neither this manuscript nor one with substantially similar content under our authorship has been published or is being considered for publication elsewhere, except as described in the covering letter. We attest that, if requested by the editors, we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees. The conflict of interest among the authors, sources of support and the financial interests, direct or indirect, that exist or may be perceived to exist for individual contributors in connection with the content of this paper have been disclosed in the cover letter.

We give the rights to the corresponding author to make necessary changes as per the request of the editor and/or reviewer of the journal, do the rest of the correspondence on our behalf and he/she will act as the guarantor for the manuscript on our behalf. All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If we do not include an acknowledgment that means we have not received substantial contributions from non-contributors and no contributor has been omitted. In consideration of reviewing, editing and publication of the manuscript submitted for the publication in the Journal of Karnali Academy of Health Sciences (JKAHS) the undersigned author(s) hereby agree on the following clauses:

1. The undersigned author(s) hereby assigns, conveys, and otherwise transfers all rights, title, interest, and copyright ownership of said work for publication. Work includes the material submitted for publication and any other related material submitted to JKAHS. In the event that JKAHS does not publish said work, the author(s) will be so notified and all rights assigned hereunder will revert to the author(s).

2. The assignment of rights to JKAHS includes but is not expressly limited to rights to edit, publish, reproduce, distribute copies, include in indexes or search databases in print, electronic, or other media, whether or not in use at the time of execution of this agreement, and claim copyright in said work throughout the world for the full duration of the copyright and any renewals or extensions thereof.

3. The JKAHS shall own the following from the author(s):
   a. Copyright;
   b. The right to grant permission to republish the article in whole or in part, with or without fee;
   c. The right to produce preprints or reprints and translate into languages other than English for sale or for free distribution; and
   d. The right to republish the work in a collection of articles in any other mechanical or electronic format.
4. The JKAHS will publish the article under the terms and conditions of the Creative Commons Attribution 4.0 International.

5. The author(s) hereby represents and warrants that they are sole author(s) of the work, that all authors have participated in and agree with the content and conclusions of the work, that the work is original, and does not infringe upon any copyright, propriety, or personal right of any third party, and that no part of it nor any work based on substantially similar data has been submitted to another publication.

6. We also vouchsafe that the authorship of this article will not be contested by anyone whose name(s) is/are not listed by us here. We declare that we contributed significantly towards the research study i.e. (a) Conception, design and/or analysis and interpretation of data and to (b) Drafting the article or revising it critically for important intellectual content and on (c) Final approval of the version to be published.

7. We also agree to the authorship of the article in the following sequence:
